Subject: SUPPORT TO NOEL WASHINGTON FROM THE BASQUE COUNTRY

Dear Comrades of CFMEU,

*We write from LAB-Basque Trade Union in order to express our solidarity with Noel Washington construction syndicalist that could be to prison.

We want to support your comrade and your trade union, and we will explain here, in the Basque Country, that case, and we will send to Australian government our protest.*

Our trade union is an oriented class trade union of the Basque Country. We are a left wing trade union and we have the 17% of representation between Basque workers. As you know, Basque Country is between Spanish and French states, and we fight for our selfdetermination right. Our trade union is member of WFTU and member of the secretariat of European Regional Office of WFTU too.

If you want take contact with us, our e-mail is this one:
nazioartea@labsindikatua.org

Yours faithfully,

Igor Urrutikoetxea (International Relations Head of LAB-Basque trade union)/
